About Me

Your pam a dedicated and enthusiastic Computer Science student with a strong interest in web development, software engineering, and emerging technologies. I enjoy solving real-world problems through code and have hands-on experience with tools like HTML, CSS, JavaScript, React.js, and Node.js. I'm a quick learner, team player, and always eager to take on new challenges that help me grow both technically and personally. My goal is to contribute to innovative projects while continuously developing my skills in a dynamic and collaborative environment.
